Scotsman warrants to the original purchaser-user, subject to the limitations and exclusions set forth in this Warranty, that the models of Scotsman® brand commercial ice machines identified above will be free from defects in material and/or workmanship and will perform adequately under normal use if properly installed and maintained in accordance with the Manual furnished with the product.

Starting Time: This Warranty begins with the date of original installation. The date of original installation shall be the date that the machine is actually installed for the first time if the installation is promptly reported to Scotsman on the warranty registration form furnished with the product. If the installation date is not timely reported to Scotsman on the warranty registration form, the date of original installation shall be deemed to be three months after the date of shipment from the factory.

What is Covered?: Component parts are covered for 3 years after original installation of the machine, except for the parts of the motor compressor which are covered for 5 years after original installation of the machine. Labor for repair or replacement of a defective component part is covered for 3 years after original installation of the machine.

This warranty is applicable only in the United States, Canada, the Caribbean, Mexico, Central America and South America. Excluded areas include: Africa, Asia, Australia, and Europe.

Scotsman's Obligation: Limited strictly to replacing or repairing, at Scotsman's option and upon return to the factory with transportation charges prepaid, any part or parts that are found to be defective in material and/or workmanship during the warranty period. All decisions regarding defects in material or workmanship or accident, alteration, misuse, or improper maintenance or installation shall be made by Scotsman's Service Department and shall be binding upon the parties. Labor reimbursement is provided according to the procedures below.

Requirements: Warranty service must be performed by a Scotsman distributor, or by an authorized service agent approved by the Factory Service Department or the local Scotsman distributor.

User Responsibility: The product must be installed, cleaned and maintained as described in the Manual furnished with the product.

Procedures: Reimbursement for labor charges covered by this Warranty will be made directly to the Scotsman Distributor, and will be calculated by using the local established hourly service rate (not to exceed the labor rate in effect and published by the local Scotsman Distributor) and the hour allowance published in the Scotsman Labor Rate Book.

All claims for labor reimbursement must be made through the local Scotsman Distributor. Only approved replacement parts may be used. The defective part and service invoice must be provided to the local Scotsman Distributor within fifteen (15) days from the date of service to be eligible for labor reimbursement. Incidents of failure that do not require the replacement of a part must be explained in sufficient detail on the service invoice to properly identify the failure. All claims must include the ice machine model number, serial number, date of original installation and customer identification.

Exclusions: Labor reimbursements include straight time labor charges only, and shall not include charges for travel time, mileage, or other premium charges. This Warranty does not include parts or labor coverage for a component failure or other damage resulting from:

- Electrical power or water supply failure to the ice machine for any reason.
- Operating the product beyond the specifications described in the product's manual.
- Failure to clean and maintain the product as set forth in the product's manual.
- Installations not in accordance with the product's manual.

ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED AND DISCLAIMED. IN NO EVENT SHALL SCOTSMAN BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND OR NATURE, OR FOR ANY DAMAGES RESULTING IN WHOLE OR IN PART FROM MISUSE OR INADEQUATE MAINTENANCE OF THE PRODUCT OR ANY PART THEREOF.
